

Inova Solutions is your PAL for Azure

Helping you optimize
Azure usage

A man with a beard and a backpack is looking at his smartphone on a city street at night. The background is blurred with city lights.

What is PAL?

Partner Admin Link is a way Inova Solutions can help you make the most out of your Azure consumption, at no extra cost to you!

What services can I get through PAL?

Through PAL, most of these services can be accessed at no extra cost to you, or for a reduced cost.

Planning

1. Agree on initial services and required roles
2. Grant guest access with agreed upon roles
3. Inova access your tenant to provide services.

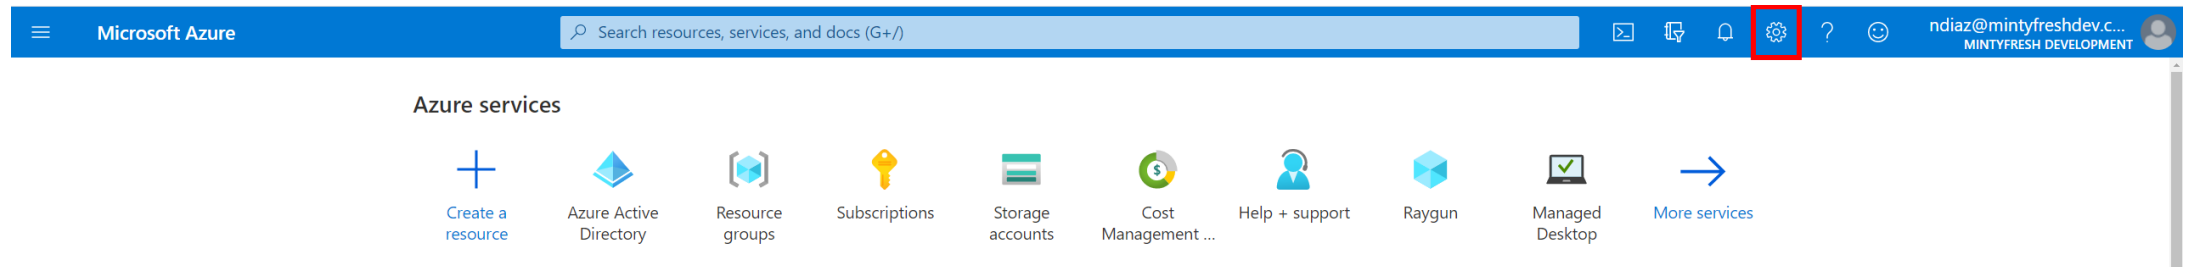

What do I need access PAL services?

Just three steps!

Setting Up PAL—Step by Step

1. Login to the Azure portal and click on the Settings icon, as shown below:

2. When the Settings blade is shown, click on "Link your Partner ID to this Azure Account" at the bottom.

Setting Up PAL—Partner ID Table

Find Your Account Manager below to identify the partner ID you should use to add PAL.

| Account Manager | Inova Solutions Office | Partner ID |
|---|--|------------|
| Jeroen Nederkoorn | Curaçao | 2714309 |
| Laycya Holmes Jermaine McDonald | Jamaica Jamaica | 4585947 |
| Juan Carlos Padilla Victor Rivera Luis Colón Néstor Díaz | Puerto Rico Puerto Rico Puerto Rico Puerto Rico | 4890288 |

Setting Up PAL—Tips

1. Let your account manager know when you've added PAL. They can ensure everything is set up correctly.
2. Setting up PAL requires an Azure user with a contributor or higher access role.
3. To maximize your PAL benefits, ensure you add PAL using your subscription or management group owner.

A background image showing several hands of different skin tones reaching out towards the center. One hand is being held by another, and another hand is being held by a third. The hands are positioned as if they are about to be joined together. The image is split vertically by a dark grey bar on the right side.
