

How to set Inova Solutions as your PAL

1. Login to the Azure portal and click on the Settings icon, as shown below:

2. When the Settings blade is shown, click on **“Link your Partner ID to this Azure Account”** at the bottom.

3. In the **“Microsoft Partner ID”** field, enter Inova Solutions’ MPN ID (**see table below**) and click on **“Link a Partner ID”**.

Link to a partner ID

Partners help to deploy, optimize and manage services. In the section below, an existing partner can change its Microsoft partner ID.

If you're a partner, you can change your Microsoft partner ID by entering a new one. You'll be able to continue tracking your contributions to this customer.

Microsoft partner ID ⓘ

By continuing, you agree that Microsoft can share your activity with this customer. This information can include aggregate data about your contribution to the customer. For more information, please review the [privacy statement](#).

PAL Tips and Tricks

1. Let your account manager know when you've added PAL. They can ensure everything is set up correctly.
2. Setting up PAL requires an Azure user with a contributor or higher access role.
3. To maximize your PAL benefits, ensure you add PAL using your subscription or management group owner.
4. Find the Inova Solutions partner ID that applies to you using the helpful table below.

Account Manager	Inova Solutions Office	Partner ID
Jeroen Nederkoorn	Curaçao	2714309
Laycya Holmes Jermaine McDonald	Jamaica Jamaica	4585947
Juan Carlos Padilla Victor Rivera Luis Colón Néstor Díaz	Puerto Rico Puerto Rico Puerto Rico Puerto Rico	4890288
